in Mysore Bangalore

RESPECTED SIR,

We the undersigned members of the Kaniyara Seva Samaja beg to bring the following to your kind consideration and favourable orders.

Our Community known as 'Kaniyar' belongs to one of the backward Communities and majority of them settled in - Chamarajapet, Bangalore city about fifty years ago. Since then we have been struggling hard to keep pace with the other progressing communities. The poverty of the community hinders the progress but the enthusiastic members of our Community facing every thing calmly, are trying to overcome the difficultins. An organisation known as 'Kaniyara Seva Samaja was formed and Registered under the Mysore Societies Act in 1942. The main object of the Samaja is to find ways and means of furnishing the community with the requisite - finance etc. to promote and impart higher education to the youths of the community. The very fact that none of the members of the community has so far entered the threshold of the college is itself an evidence to prove how far the community is lagging behind in education and deserving of encoufagement.

Perusing this our Samaja opened a Hostel in a rented Building in Chamarajapet, Bangalore city to give necessary boarding and lodging facility to educate our young men and women of our community. Branches of our Samaja have been opened at Mysore and Channapatna in order give education to our community students of several places. Since 1942, the Hostel has been running at Chamarajpet in a rented Building. We may not say that in addition to meet

meet the expenses of Boarding and Lodging of our students, we have to pay a very heavy rent for Hostel Building. Realising this difficulty the Managing Committee Members of the Samaja thought of securing a habitation of their own. Fortunately a vacant space suitable for a Hostel was found at Sirsi Road, Chamarajapet, Bangalore city, a place situated where our members of our Community live. We requested the Municipality for this vacant land in 1942 to be kindly alloted to Samaja to erect its Hostel. Representations were submitted to the President and Commissioner of the City Municipality for kind consideration and needful action

At the Annual General Body Meeting held on 11-6-1944 under the Presidentship of Mr. C. P. Narasing Rao. B.A. B.L., two Municipal Councillors Messrs. T. Srinivashankar, B.A., LL.B., Advocate and P. R. Ramiah, B.Sc., (Councillors representing Chamarajapet Division) were also present. A resolution to the above effect was also passed and copies submitted to the Chief Secretary to the Government, President and Municipal Commissioner for information and needful action.

Thus while the correspondance in this direction was being pursued with the Government and the Municipality, the Municipal Engineer was pleased to direct to submit duplicate sketches of the sites required for verification. The same was submitted and further orders awaited.

Though our application had already been received by the Municipality and Government for consideration, we learnt that the case of the Students' Union was upheld and their case was considered favourably The whole plot of land consisting of nine sites was alloted to the Students' Union when they requested for only two sites. This was really a news to us and immediately we submitted to the Government for reconsideration. The Municipal Commissioner was pleased to inspect the spot personally and recommended the case to the City Improvement Committee for reconsideration. Thus the resolution of the Municipality and further correspond

correspondace resumed When we were eagerly waiting for the fair decision of the Municipality, to our misfortune, we learn that the Muncipal Council has again resolved to allot the whole plot of land to the Students Union This is really a surprising, news to us

The Kaniyara Seva Samaja is a very backward community deserving every encouragement and sympathy at the hands of the Government, the Municipal Council and the General Public. We are making an earnest to all these three again and again to lend us their support generously. Several important communities in the city have secured very generous encouragement at the hands of the Government and Municipal council in respect of grant of suitable site and monitary support. Ours is a very minor community, very backward community, we deserve all the support and sympathy that the Government and other Agencies are capable of

We are making this emphatic appeal because we very naturally feel that in respect of the grant of site in Chamarajapet, the Municipal Council has not fully grasped the situation and appreciated our appeal.

Therefore, under these circumstances, we humbly beg of you kindly to make necessary enquiry in the matter for the grant of the plot for a Hostel Building of our Samaja in Sirsi Road, Chamarajapet Bangalore city and give us the utmost encouragement for the upliftment of our community which deserves every encouragement in all the aspects.

We hope that our request will have your kind and favourable consideration

Though our application had already been received by the Municipality and Government for consideration, we - learnt that the case of the Students' Union was upheld and their case was considered favourably. The whole plot of land consisting of nine sites was alloted to the Students' Union when they requested for ONLY ONE Site. This was really a news to us and immediately we submitted to the - Government for reconsideration The Municipal Commissioner was pleased to inspect the spot personally and recommended the case to the City Improvement Committee for reconsideration. Thus the resolution of the Municipality was set -

correspondance resumed. When we were eagerly waiting for the fair decision of the Municipality, to our misfortune, we learn that the Municipal Council has again resolved to allot the whole plot of land to the Students Union. This is really a surprising news to us.

The Panijara Seva Samaja is a very backward community deserving every encouragement and sympathy at the hands of the Government, the Municipal Council and the General Public. We are making an earnest to all these times again and again to lend us their support generously. Several important communities in the city have secured very generous encouragement at the hands of the Government and Municipal council mxx in respect of grant of suitable site and monitary support. Ours is a very minor community, very backward community, we deserve all the support and sympathy that the Government and other Agencies are capable of.

We are making this emphatic appeal because we very naturally feel that in respect of the grant of site in Chamrajapet, the Municipal Council has not fully grasped the situation and appreciated our appeal.

Therefore, under these circumstances, we humbly beg of you kindly to make necessary enquiry in the matter for the grant of the plot for a Hostel Building of our Samaja in Tirai Road, Chamarajapet, Bangalore city and give us the utmost encouragement for the upliftment of our community which deserves every encouragement in all the aspects.

We hope that our request will have your kind and favourable consideration.

RESPECTED SIR,

We the undersigned members of the Kaniyara Seva Samaja beg to bring the following to your kind consideration and favourable orders.

Our Community known as 'KANIYAR' belongs to one of the backward communities and majority of them settled in - Chamarajapet, Bangalore city, about fifty years ago. Since then we have been struggling hard to keep pace with the other progressing communities. The poverty of the Community hinders the progress but the enthusiastic members of our community facing everything calmly, are trying to overcome the difficulties. An organisation known as 'KANIYARA SEVA SAMAJA' was formed and registered under the Mysore Societies Act in 1942. the main object of the Samaja is to find ways and means of furnishing the Community with the requisite finance etc. to promote and impart higher education to the youths of the Community. The very fact that none of the members of this Community has so far entered the threshold of the College is - itself an evidence to prove how far the Community is lagging behind in Education and deserving of encouragement.

Perusing this, our Samaja opened a HOSTEL in a rented building in Chamarajapet, Bangalore city, to give necessary boarding and lodging facility to educate our young men and women of our Community. Branches of our Samaja have been opened at Mysore and Channapatna in order to give education to our Community students of several places. Since 1942, the Hostel has been running at Chamarajpet, in a rented Building. We may not say that in addition to meet the expenses of Boarding and Lodging of our students, we have to pay

pa- - very heavy rent for hostel Building.. Realising this difficulty the Managing Committee Members of the Samaja - thought of securing a habitation of their own. Fortunately a vacant space suitable for a Hostel was found at Sirsi Road, Chamarajapet, Bangalore city. a place situated where members of our Community live. We requested the Municipality for this vacant land in 1942 to be kindly alloted to Samaja to erect its Hostel. Representations were submitted to the President and Commissioner of the City Municipality for kind consideration and needful action.

At the Annual General Body Meeting held on 11-6-1944 under the presidentship of Mr. C. N. Narasing Rao, B.A., B.L., two municipal Councillors, Messrs S. Shivashankar, B.A., LL.B. Advocate and P. S. Pariah, B.Sc., (Councillors representing Chamarajapet Division) were also present. A resolution to the above effect was also passed and copies were submitted to the Chief Secretary to Government. President and Municipal Commissioner for information and needful action.

Thus while the correspondence in this direction was being pursued with the Government and Municipality, the Municipal Engineer was pleased to direct us to submit duplicate sketches of the site required for verification. The same was submitted and further orders awaited.

Though our application had already been received by the Municipality and Government for consideration, we learnt that the case of the Students' Union was upheld and their case was considered favourably. The whole plot of land consisting of nine sites was alloted to the Students' Union when they requested for ONLY ONE site. RESPECTED SIR,

We the undersigned members of the Kaniyara Seva Samaja beg to bring the following to your kind consideration and favourable orders

Our community known as "Kaniyar" belongs to one of the backward communities and majority of them settled in Chamarajapet, Bangalore city, about fifty years ago Since then we have been struggling hard to keep pace with the other progressing communities The poverty of the Community hinders the progress but the enthusiastic members of our Community, facing everything calmly, are trying to overcome the difficulties. An organisation known as "Kaniyara Seva Samaja" was formed and registered under the Mysore Societies Act in 1942 The main object of the Samaja is to find ways and means of furnishing the Community with the requisite finanace etc to promote and impart higher education to the youths of the Community The very fact that none of the Members of this Community Has so far entered the threshhold of the College is itself an evidence to prove how far the Community is lagging behind in Education and deserving of encouragement.

Perusing this, our Samaja opened a HOSTEL in a rented building in Chamarajapet, Bangalore city to give necessary boarding and lodging facility to educate our young men and women of our Community Branches of our Samaja have been opened at Mysore and Cahnnapatna in order to give education to our community students of several places Since 1942, the Hostel has been running at Chamarajapet, in a rented Building. We may not say that in addition to meet

the expenses of Boarding and Lodging of our students, we have to pay a very heavy rent for Hostel Building. Realising this difficulty the Managing Committee Members of the Samaja thought of securing a habitation of their own. Fortunately a vacant space suitable for a Hostel was found at Sirsi Road, Chamarajapet, Bangalore city, a place situated where members of our Community live. We requested the Municipality for this vacant land in 1942 to be kindly alloted to Samaja to errect its Hostel. Representations were submitted to the President and Commissioner of the City Municipality for kind consideration and needful action.

At the Annual General Body Meeting held on 11-6-194 under the presidentship of Mr. C. N. Narasinga Rao, B A., B L two municipal Councillors Messrs. P Shivashankar, B A LL B. Advocate and P. R Ramiah, B. Sc. (Councillors representing Chamarajapet Division) were also present. A Resolution to the above effect was also passed and copies were submitted to the Chief Secretary to Government, President and Municipal Commissioner for information and needful action

Thus while the correspondance in this direction was being pursued with the Government and Municipality, the Municipal Engineer was pleased to direct us to submit duplica sketches of the site required for verification. The same was submitted and further orders awaited

Though our application had already been received by the Municipality and Government for consideration, we learnt that the case of the Students' Union was upheld and their case was considered favourably. The whole plot of land consisting of nine sites was alloted to the Students' Union when they requested for ONLY ONE Site This was really a news to us and immediately we submitted to the Government for reconsideration The Municipal Commissioner was pleased to inspect the spot personally and recommended the case to the City Improvement Committee for reconsideration Thus the resolution of the Municipality was set -

was set aside and further correspondance resumed When we were eagerly waiting for the fair decision of the Municipality, to our misfortune, we learnt that the Municipal Council has again resolved to allot the Whole Plot of land to the Students' Union This is really a surprising news to us

The Kaniyara Seva Samaja is a very backward community deserving every encouragement and sympathy at the hands of the Government, the Municipal Council and the - General Public We are making an earnest appeal to all these three again and again to lend us their support generously Several important communities in the City have secured veyy generous encouragement at the hands of the - Govemment and Municipal council in respect of grant of - suitable sites and monitary support Ours is a very Minor Community, very backward community, we deserve all the support and sympathy that the Government and the other Agencies are capable of

We are making this emphatic appeal because we very naturally feel that in respect of the grant of the Site, in Chamarajapet, the Municipal Council has not fully grasped the situation and appreciated our appeal

Therefore, under these circumstances, we humbly beg of you kindly to make necessary enquiry in the matter for the grant of the plot for a Hostel Building of our Samaja in - Sirsi Road, Chamarajapet, Bangalore city and give us the - utmost encouragement for the upliftment of our Community which deserves every encouragement in all the aspects

We hope that our request will have your kind and favourable consideration

We beg to remain,
Respected Sir,
Your most obedient servants,

Bangalore city

R Muthaiah.
